

2016 Get Golf Ready Session Schedule \$99 per person

Get Golf Ready is a group instruction program designed to be an overview of the game, how to swing, basic rules & etiquette and how to play on the course. It is perfect for the new or returning golfer or that casual golfer looking for the next step in skill and knowledge.

Students will need to attend all days of a session as each session is not taught identically based on skill sets of participants. Make-up classes will be offered only if weather conditions require a class to be canceled.

All classes are taught at Brier Creek CC in Raleigh, NC
